

BECOMING A PAINTER

Go to as many exhibitions as you can

(EXACT STEPS)

The worst they can do is say no. keep going + ask for feedback

Put yourself and your work out there - do shows anywhere you can

Tap into something deeper

Figure out clever and interesting ways to approach galleries - do your research

Experiment A LOT!

Find out what feels right to you

Put your creativity first - connect with the universe. You are a conduit!

Find and nurture an audience. Use Instagram and other tools.

Really like art at school

This takes time

(There are 9 billion people out there to connect with)

Give yourself time and space to grow as an artist. Don't get caught in Instagram comparisons.

GOOD STUFF IN
GOOD = STUFF OUT

Never sign an exclusive contract (unless they offer a decent annual wage p/w artwork sales)

Keep going! You CAN do it!
