

Becoming an Animator – Tim Sanpher’s Links

While I was teaching and felt the need to get up to speed this was a good site:

https://www.shortverse.com/explore?technique=animation&utm_campaign=channels&utm_medium=website&utm_source=shortoftheweek&honors=11

Animation news, mostly from the USA:

<https://www.awn.com/>

This is worth keeping an eye on for jobs:

<https://animatedjobs.com/>

Linkedin is worth joining and you can always try and "friend" professionals but just try not to get stalky. It's probably a good place to approach, via email, studios to have a look around:

<https://uk.linkedin.com/>

A no filter animation site with articles worth reading:

<https://www.cartoonbrew.com/>

Unexpected Inspiration:
