

# BECOMING AN ART PHOTOGRAPHER

(EXACT STEPS)

documentary photography is popular but narrative + surreal are also art options

pay attention to what you are interested in

study others  
ask questions

Get really good at the craft

Create a portfolio of work + research how best to present it online

The more people you speak to, the more successful you will be!

make a photo book

either self publish  
or find a photo book publisher

Approach Galleries helps build an audience

Keep networking  
you never stop having to do this
